Dear Mr Pryer

Your kind favor of the 20 at hand
Am much obliged to you for sending
check so promptly to Messrs D. H.
Bacon & Co. Messrs Bilden, Valentine
and myself expect to meet at the
Rooms on Thursday evening next
to get the Annual Proceedings
ready for mailing if you happen
to be in town at that time we
should be pleased to see you.
While it is of very little impor-
tance, it occurs to me that Mr
Dodd's bill for 7.85 if it was
for expenses of the meetings
at which papers were read, should
be paid out of Society funds
and not out of the Publication

Fund which was for the printing of the annual Proceedings and the expenses connected therewith.

Will you kindly look up the voucher and see what bill was for. For I do not know of any expenses ourred on mine as to the publication further than the 1.00; but I so know he mailed the notices for four meetings of the Board.

Did you pay out any item of $14.50? I will preserve your letter so we can compare notes later.

Remain with kind regards.

Yours very sincerely

Dear Sir

I have your favor of 22d ult. & two days ago came the Cfte. of Membership. I regret to say that the tube it was sent in was not strong enough to withstand the Postoffice hardships. The Cfte. is so broken & crushed that it is quite unfit for framing & I have to ask for another. By the way, the artist who filled in my name had evidently made a mistake in the spelling & the alteration was plainly manifest. Please call his attention to it
